

CYCLO-CROSS INTER-AREA TEAM CHAMPIONSHIPS 2010-2011

**Promoted by
LEICESTERSHIRE RC**

**Sunday 7th November 2010
LEICESTER LEYS LEISURE CENTRE
BEAUMONT WAY, BEAUMONT LEYS
LEICESTER LE4 1DS**

Under BC Cyclo-Cross Regulations

Supported by Leicester City Council & Leicester Speedway Ltd

INTER AREA REGULATIONS

The composition of each team shall be declared to the Commissaire and/or the Chief Judge no later than 60 minutes before the advertised start of the race. No changes to the composition of the teams shall be made after the declaration. Medal presentation for the first three teams in the Youth race will take place at the BC presentation truck at 12:30 pm, and for the other categories at around 3.45 pm.

All prize money will be forwarded to regional secretaries by cheque in the week following the event.

All team members must wear Area or Region colours. If an Area/Region has secondary colours, or insufficient jerseys to kit out their full team, they should ensure that all members of the same team wear the same colours. Any departure from this procedure shall be at the discretion of the Chief Commissaire.

Eligibility: The regulations require all riders to compete for the BC Region in which they reside. In exceptional circumstances this regulation may be relaxed where a rider who resides close to a regional border wishes to ride for the adjacent region, provided that both regions agree. In the case of dispute, the residential qualification shall apply.

Substitute Riders: The regulations permit only those riders listed in the programme to compete. However, at the discretion of the Commissaire, substitute riders may be permitted to replace riders listed in the programme who are absent. This will ONLY be permitted if the absence of a listed rider means that a team has insufficient riders to qualify for team points. The substitute rider must meet the eligibility qualifications to compete for the Area/Region.

DIRECTIONS AND COMPETITORS CAR PARKING

Please see map of available parking on page 8. There are various options for parking as shown. Once again the library has kindly provided the use of their car park that is situated close to the Leisure Centre, and the NSPCC are also allowing competitors to park in their car park. However, please do not block in any other users (there will be a small number of other users in the NSPCC).

We would like to thank Beaumont Leys library & the NSPCC for the use of their car parks; please do not leave litter and mud on the floor when you depart.

There is also car parking at the pavilion as well as on the field that is accessed down the side of the pavilion (this car park is on grass so is weather dependant).

- PLEASE DO NOT park in the main shopping centre car parking bays.
- PLEASE DO NOT park in the coned off disabled parking bays outside the leisure centre.

Parking in either of these places will jeopardise the use of the venue in the future.

Directions:

- From A46 take A5360 Anstey Lane in the direction of Leicester
- Turn left (1st exit) at first traffic island into Bennion Road.
- At the next traffic island take the 3rd exit into Beaumont Way; for the library and NSPCC, follow road around the shopping centre, pass under a bridge and take left turn. For the pavilion, turn left at the point where the road turns sharp right. All parking will be signed from the entrance to the shopping centre.

Please note that designated competitors parking is limited and therefore should be used ONLY by competitors.

Acknowledgements: I would particularly like to thank Leicester City Council for the use of the park and leisure centre and support provided in helping the event take place once again at Beaumont Park. I would also like to thank Dave Hemsley at Leicester Speedway Ltd for the use of their pavilion and providing car parking. Without this support from both of these organisations, the event would not be able to take place. Finally, thanks to the Library and NSPCC for the use of their car parks.

PREVIOUS WINNERS

Note: The Inter Area Championships originated in the 1960s as the Inter-Regional Championships, but died out in the early 1970s before being revived by Yorkshire in 1983. The Juvenile/Youth Championship was introduced in 1991, the Women's Championship in 1994 and the separate Veteran's Championship in 1998, prior to which Veterans competed with Seniors & Juniors.
