

The North West Cyclo-Cross League
NWCCA League Rules

League Registration

1. All riders who wish to be a member of the league and qualify for league points and [overall competitions](#) must register with the league each year.
2. Registered league riders will be issued with a set of race numbers which the rider will retain for the season.
3. The arm number shall be worn forward facing and on the left arm unless advised differently at signing on.
4. Lost numbers will incur a replacement fee of £15.
5. Race Numbers MUST be returned promptly at the end of the season. Please don't wait to be chased, it's volunteer time you are wasting. League membership may be declined to any previous year league member who fails to return race numbers.
6. Registered league riders have the option to purchase a new type active transponder. The transponder will be registered with NWCCA, and a number assigned to the transponder. This number must remain visible on the transponder. The battery in the transponder is expected to last between 5 and 7 years.
7. Registered league riders who do not purchase a transponder and non-league riders will be issued with a transponder at race sign on. The transponder MUST be returned immediately after their race as the transponder may be required for a later race at the event.
8. Lost transponders belonging to NWCCA will incur a replacement charge of £50.
9. If a rider joins the league mid-way through the season, their points will only be eligible for league points from that point onwards.
10. Non-league riders in Senior, Under23, Junior, Women and Veteran categories will pay a £2 surcharge on race entry fees.
11. Named organisers and active Commissaires (who officiate at 1 or more race per season) are entitled to free league registration.
12. The league consists of 8 categories, with 14 league tables:
 - Under 8s (M/F)
 - Under 10s (M/F)
 - Under 12s (M/F)
 - Youth (U14F, U14M, U16F, U16M)
 - Veteran 40-49
 - Veteran 50+
 - Women
 - Seniors, Under 23 and Juniors
13. League registration fees are as follows:
 - Under 8s - £2
 - Under 10s - £2

- Under 12s - £2
- Youth - £5
- Veterans and Women - £10
- Seniors, Under 23 and Juniors - £10

14. Veterans and Women can choose to ride in Senior/Under23/Junior league. On doing so they will be competing for the Senior/Under23/Junior League Standings, not the Veteran's or Women's League Standings.
15. Under 8, Under 10, Under 12 and Youth riders must ride in their age category.
16. Age Categories for cyclocross racing are published each year and differ from the category on a BC membership card / racing license. The current rider categories are available on the BC website and a printout will be available at each league event.

League Points

17. League points will be awarded to all registered league riders who complete each league event they attend.
18. 1st place will receive 200 points descending to 200th place who will receive 1 point. If there are more than 200 riders in the race all riders outside the top 200 will receive 1 point.
19. The League is calculated at the end of the season and is based on the riders' best number of counting results. Results in excess of the counting number of events for each member which have the lowest points, will be marked with an * to indicate that these results are not included in the total.
20. Counting events are 80% of: total number of league events minus any clashed national trophy events (held on the same weekend). This will be subject to annual review at the Annual General Meeting (AGM). The actual number of counting events agreed by the committee will be published on the website.
21. If more league events are added during a season, the number of counting events will not be increased from that communicated at the beginning of the season. If league events are cancelled NWCCA reserve the right to reduce the number of counting league events.
22. League tables will be published on the NWCCA website after each league event, at least a day after the results are published.
23. All S,V,W,J,U23 registered league riders who ride in NWCCA league events, will be expected to assist (or a delegate) at a designated league event. This will be organised by the league secretary. When registering to the league the registration form will contain the calendar of the league events which the rider must select both 1st and 2nd choice league events to assist at.
24. The NWCCA reserve the option to ask the helper or delegate to assist at a league event other than their 1st and 2nd choices if required to ensure all league events are supported to the desired standard.
25. If a rider provides a delegate to perform their volunteering role at a race and if the rider themselves takes part in the league event: the rider cannot claim average league points, the

rider will receive the league points for their finishing position, and if they fail to finish the race, no league points will be awarded. If a rider provides a delegate to perform their volunteering role at a race and if the rider does not take part in the league event, average points will not be awarded. In both cases, the rider will be recognised by green highlighting in the league tables for that event.

26. League riders who volunteer to help or provide a delegate and then fail to provide this service may receive a sanction of withdrawn league points until the duty has been completed, subject to the mitigating circumstances.
27. Registered league riders are entitled to claim for average league points when they in person volunteer for a full day at a league event.
28. Registered league riders are entitled to claim average league points up to a maximum of 2 league events.
29. Named organisers and active Commissaires (who officiate at 1 or more race per season) are entitled to claim average league points up to a maximum of 4 league events.
30. Where average points have been claimed, published league tables will highlight this in red.
31. Where a delegate has been provided or the rider marshalled part of the day and also rode, published league tables will highlight their result in green.
32. Registered league riders in Youth, Under12, Under10 and Under 8 categories are not eligible to claim average league points.

35. ALL Senior, Under 23, Junior, Veteran and Women riders must present a valid [British Cycling RACE](#) membership card at every league event. If a valid British Cycling RACE membership card isn't presented, the rider will pay the £3 British Cycling Day Membership fee in addition to the normal entry fee.
36. All races will be gridded on the day by the Commissaire using the current league standing. Non-league riders, by prior request, with a high national ranking may be brought forward at the discretion of the commissaire. National Rankings may be used for a Category A event.
37. Non-league riders who consider they should be placed high on the grid should contact the Commissaires a minimum of 1 hour before the race start.
38. Any complaints or issues from any league event must be raised with the Commissaire on the day.
39. The use in competition of cameras attached to riders, bikes or helmets is prohibited, unless previously authorised in writing by the British Cycling board. This includes such items as helmet mounts.
40. Balance bikes are not permitted in NWCCA league events. Young riders are expected to be able to ride the course for their age category unaided.
41. Results are expected to be published on the NWCCA website within 48 hours of the league event taking place.
42. The results shall include the number of laps covered by the winner and his/her race time.
43. Signing on will close 20mins before all races to give the signing on and judging teams time to be ready for the race start. Computerised rider data has to be finalised and passed to the timing team before the start of the race.
44. It is the rider's responsibility to sign on and pay to enter each race. Riders who do not sign on the race sign-on sheet will not be placed in the result.
45. Riders seen urinating in public will be disqualified from the league event and reported to British Cycling.
46. A helmet must be worn whilst racing and warming up on the course, and is recommended whilst riding at the event venue.
47. Riders seen warming up on the course whilst another race is on will be disqualified from the league event. Commissaires may authorise warm up on parts of the course not being used by the race in progress.
48. Participants, officials, volunteers, parents, helpers, coaches are all reminded that the NWCCA events are run under the British Cycling Rules and Regulations and the British Cycling Code of Conduct. Breaches of these are taken very seriously and subject to sanction.
