Review of previous minutes

- Minutes are available on the website
- Minutes agreed, proposed by Alan, Seconded by John

Secretary Report

- Last season another success with regards to numbers
- Average number of people per event relatively stable, -1.9% change on previous year
- U10/12 relatively stable between races
- Youth stable between races
- U8 varies a lot but likely reflects location
- Numbers relatively consistent overall between races

Treasurer Report

- Expenditure essentially matched income
- Still have £15,665.29 – this may be needed to update timing chips so a contingency is required
- The prize fund works well for organisers as it is a lot easier overall post-race
- The reshuffle of entry fees worked for organisers and feels like a fair balance
- Dave organising NoE champs, NWCCA will underwrite

Election of Officials

- Alan Cook proposed for chair by Tracey and seconded by Len
- John staying on as treasurer, proposed by Alan and seconded by Ian
- Steff staying on as secretary, proposed by Tracey and seconded by Dave
- Alan happy to organise the presentation evening with help for trophies
- Web secretary, Dave
- Volunteer coordinator, Tracey proposed by Dave, seconded by Alan, with help from Len

- General committee members- adding Liz and Kate
- Social media - Kate
-

Proposals/motions

- Points (Adrian Dalgiesh), the points system disproportionately affects those who miss races, affects people week on week for gridding
- Proposal to reduce the points down to 100 available as a possible solution
- **Len** going to go away and have a look at the implications
